North Tank

Ride Camp

No Man's Land

Cherry Creek

## Red

25 miles

Marked with RED paint and ribbons.

CLOCKwise.

Not to be confused with CandyCane (Which is red and white stripes.)

It is not far from the start that you will descend off the mesa in to WildCat Canyon on Rowdy Road. This is a long, steep descent, and since horses might be fresh (or if you don't have a crupper strap,) you may want to dismount. Just a suggestion.
